**Space: the final frontier.**

**Space: the thing that artists & art teachers never have enough of.**

**Space: the chance to fill a void on the gallery wall.**

Heritage Mississauga is delighted to welcome a new art exhibit featuring collective works of art students from Erindale Secondary School. The exhibit features 106 original works on 6x6 canvasses.

Erindale Secondary School presents “Space Painting”, a collection of acrylic paintings Erindale Secondary School has occupied our space in this Mississauga neighbourhood for the last fifty years. Happy Birthday Erindale!

This student art exhibition is both a birthday art show and also the ninth annual art show at The Grange, home of Heritage Mississauga. The theme of Space was chosen because it allowed so much room to choose what was important, interesting and challenging to paint. Our show of over one hundred 6" x 6" acrylic paintings allow glimpses into the "headspace" of ESS students from grades nine to twelve. Their paintings illustrate ideas, colours, movement in time and meaning to infinity and beyond!

This free public exhibit is open Tuesday to Friday, 9 am to 5 pm, and until 8:00 pm on select Tuesdays. Special thanks to Ms. Sheena Currie for the organization of this exhibit.
