Candidate Sayed Jaffery

Heritage depicts one's rich history and portrays a picture of one's traditions in detail. The heritage is very important to a city's name. It shows how it was first inaugurated and what it stood for in its early days. As Councillor, I will make sure that the heritage is preserved at all levels and city is doing everything to keep it alive.

The single most thing that should be done is to make a Heritage Committee which will over look at all the actions and motions put forward to preserve city's heritage and traditions

Yes it is very important to recognize how and where our true home came about. Flying New Credit First Nation flag is an excellent way to demonstrate our commitment. Other ways of doing so could be to designate a particular day to the rich history, make a documentary for the kids to educate them about First Nation who put our city together, celebrate events regarding the rich history and honor people who have contributed to our fabulous city's history.
